Questions? You can reach out to Emmelie Verborgh

PIZZAI SESSION

From setup to real impact in one evening

17h Arrival & Welcome

Doors open, welcome moment, and a relaxed start to the evening

17h15 What's on the menu

Short introduction to the AI setup and guidance on where to begin

17h45 Everyone online

Login, get access, and produce a first working result in the AI setup

18h Find your table

Form your cross-department groups

First real use cases

Guided group work with real use cases in the AI setup

Experiment

Free exploration beyond the initial use cases

19h30 Share & steal

Exchange best results and prompts across groups, informally

20h Take-away box

Deliver concrete outputs to apply the next working day

*Explore, experiment,
and enjoy the pizza
along the way*
